

## Communications Solutions For Businesses

PNCC's Sales staff are dedicated to helping you find the best solutions for your communications needs. Call 587-9600 for a personal, free consultation at your place of business.

### TELEPHONE SYSTEMS

PNCC offers high-quality phone systems from brand-name manufacturers such as Nortel and NEC that will help your business grow.

### Internet & Data Services

PNCC data services include international and local private lines, as well as high speed networking to connect different business locations in Palau. Internet service through dedicated broadband DSL provides fast global connections.

**WIRELESS MOBILITY** Select from a variety of GSM wireless plans (including a volume discount plan) to keep you and your staff mobile and connected even when away from the office.

### ADVERTISING

**On Television.** PNCC Digital TV offers advertising opportunities to suit your budget. You can show your product or service in living color and full motion and reach thousands of visitors & local residents.

**In the Phone Book & Online.** Palau's official phone book, the PNCC Telephone Directory is Palau's best advertising bargain. Reach the world with your business listing in PNCC's online directory at [www.palaunet.com](http://www.palaunet.com).

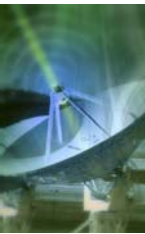

## State-of-the-Art Technology

Incorporated in 1982, the Palau National Communications Corporation (PNCC) is the Republic of Palau's national full-service carrier for

local and international telecommunications services, digital GSM-900 wireless telephone, and cable television.

PNCC operates a national fiberoptic network with high-capacity digital switching equipment. Our long distance, Internet and data services are supported by a variety of international satellite connections to offer the best telecommunications services possible.

Connecting Palau to the World

# World-class communications for the island lifestyle

Palau National Communications Corporation (PNCC) is your one-stop shop for communications in Palau. Our underground, undersea fiber optic network and modern digital switching technology enable us to offer the same kinds of advanced communications services enjoyed in big cities around the world.

## LOCAL PHONE SERVICE

Unlimited local calling is available for a low monthly fee throughout Palau. A variety of cordless and other telephones & accessories are sold at the Customer Service Offices in Koror and Airai.

## SPECIAL CALLING FEATURES

These features help you get more out of your phone at a very low cost.

- **Caller ID** – just one look and you know who's calling or whose calls you missed when you were out.
- **Voice Mail** – let us take messages for you. This special answering service lets you retrieve messages from any phone around the world, and works even when the power is out.
- **Calling Features** help you put an end to telephone tag, waiting by the phone and busy signals with Call Waiting, Three-way Calling, Call Forward, and Speed Calling.

## FREE CABLE LOCATING SERVICE

Call 611 before you dig and we'll help you locate underground phone lines for free!

## LONG DISTANCE CALLING SERVICES

Enjoy the lowest rates for quality service with PNCC long distance when you use international direct dialing from your home or office, Debusch prepaid or charge cards. Only 35¢ per minute to over 200 countries, and 28¢ per minute to the Philippines. PNCC also offers operator-assisted calls, collect calling, and private booths in Airai and Koror for overseas calls and faxes.

## DEBUSCH PHONE CARDS

Use PNCC prepaid phone cards for low-cost, convenient overseas calls from any phone in Palau. Only 35¢ per minute to over 200 countries, and 28¢ per minute to the Philippines. Debusch cards are sold at over 100 stores, restaurants and gift shops. Call 587-9600 for sales locations or dial 0.

## INTERNET AND E-MAIL SERVICES

Connect to the Internet with PNCC's PalauNet for as low as \$15/month with unlimited e-mail through LocalNet. PNCC offers reliable dial-up service, high-speed broadband Internet access (via DSL), and prepaid Internet. Palau also has many Internet cafes.

## DIGITAL WIRELESS PHONE SERVICE

PNCC Wireless offers affordable GSM-900 coverage from Kayangel to Angaur. Enjoy the freedom of digital cellular service with Caller ID for rates as low as 15¢/minute, plus optional features like Call Forward, Call Hold & Call Waiting. Texting service is free for incoming messages and only 6¢ per local "send" and 20¢ per international text. There's a variety of monthly plans from Basic to Unlimited, or convenient prepaid service. Prepaid Airtime cards are sold at over 100 locations in Palau.

## PNCC DIGITAL TELEVISION

Enjoy a clear digital picture and stereo sound with over 46 channels of entertainment, movies, news, music, educational, and children's programming in our Basic Service. Save money with discount packages for premium services like HBO, Cinemax, Star Select and The Filipino Channel. Check out the Palau Visitors Channel on 37, your guide to paradise!

## DIRECTORY SERVICES

PNCC publishes Palau's official phone book annually. An online directory of telephone listings is located at [www.palaunet.com](http://www.palaunet.com).

As the national communications corporation of the Republic, our mission is to anticipate, understand and meet Palau's telecommunications needs, including universal service, through leadership in quality, value and technology for the benefit of our Customers, our Employees, and our Nation.
